Classes:

Class	Duration
Saturday: 1/10th IC 4WD Saloon	10 Minutes
1/8th IC 4WD Can am	10 Minutes
GT 19	5 Minutes

Sunday:

TT 01	5 Minutes
Touring Stock	5 Minutes
Touring Modified	5 Minutes
Pro12	8 Minutes

Any classes with less than 5 entries will be cancelled and drivers notified.

Eligibility: Drivers must hold a current NZRCA licence, and be a financial member of an affiliated club. You **must** bring your licence. **No licence, no racing.**

Rules: *T/Modified:* 12t brushed or 7.5t brushless. See www.nhrccc.org.nz and/or the NZRCA rule book dated 1st September 2007 for all other classes.

Lap Counting: Scoring will be by Laps Free AMBrc system. You must either provide a suitable mounting location for a transponder on your car, or personal transponders will be allowed but will be the racers responsibility to ensure they are being counted.

Numbers: Race numbers will be provided, please remove or cover any already on cars.

Stock Motors: Competitors will be required to supply their own.

Drivers Registration: All drivers must register at scrutineering upon arrival at the track in the morning. You **must** register with your licence.

Scrutineering: It is the driver's responsibility to ensure his/her car complies with NZRCA rules. Cars will be scrutineered before racing commences at drivers registration. All cars and transmitters are to be placed in the scrutineering pound straight after each race where they are to remain until the driver has finished his/her marshalling.

Indoor Venue/ Rain Day: A rain day will be held on the following Saturday the 28th at St. Lukes Indoor sports centre for all electric classes. With gas to be re run on the 29th at NHRCCC.

Power: There will be power available from a large generator. However it is recommended to also supply your own back up power.

Compressor: An air compressor will be available track side for the purpose of cleaning cars etc.

Qualifying:

Electric: There will be 3 qualifying heats per class at 5 minutes each (8 minutes Pro12). Best one performance will determine final grid position. Competitors will start in random grid positions for round 1, and subsequent grids will be in accordance with the finishing order of the previous round.

IC: There will be 3 qualifying heats per class at 10 minutes each. Best one performance will determine final grid position. Competitors will start in random grid positions for round 1, and subsequent grids will be in accordance with the finishing order of the previous round.

Finals:

Electric: Maximum of 10 car finals. 3 final rounds for all A mains, best 2 of 3 times combined will give final result. 1 final round for all subsequent mains.

IC: Maximum of 10 car finals (8 cars for 1/8th). 45 minutes for all A mains, 30 minutes for all subsequent mains.

Note: All qualifiers and finals are ran on the same day.

Entry Form: All competitors wanting to enter must complete the attached entry form and return with full payment to: **North Harbour Radio Control Car Club PO BOX 35 758 North Shore City, Auckland**

Entry and grid listings, qualifying numbers and daily schedules will be sent out to all competitors the week before the event.

Note: Cheques will be deposited on receipt.

Entries Close: Entries close on **Tuesday 10th June**. No late entries or phone entries will be accepted.
